**MANAWA MUNICIPAL BUILDING**

Present: Jim Roenz, Mark Lehrer, Alice Brown, Mayor Mike Frazier.

City Employees: Angie Jacobsen, Josh Smith, Jason Severson, Sue VaterOlsen

Audience: Andy Reed (Wolves Den), Brooke Baldwin (Manawa Chamber)

Meeting called to order at 5:15 pm by Chair Jim Roenz.

Moved Lehrer/Brown to approve agenda of April 21, 2025. Carried.

Chamber request allowing Bloody Mary's on 5/4/25: Brooke Baldwin explained about the event, Spring into Manawa, that the Manawa Chamber will be hosting on May 4, 2025 from 9a-2p. The event is to support the businesses downtown. There will be vendors on the sidewalks. There will be 3 businesses offering bloody mary drinks (Wolves Den, Sunrise Café, Steve & Michelle Midtown). Brooke would like the City to approve the consumption and carry out of bloody mary's outside of the businesses on the downtown sidewalks and streets during the event. Chief Severson stated that it would be the same as what is approved and allowed during the Rodeo parade every year. Moved Brown/Lehrer to recommend allowing the consumption and carry out of bloody mary's on the sidewalks and streets in the Manawa downtown area during the Chamber event on May 4, 2025 from 9a-2p. Carried.

Wolves Den outside alcohol/beer sales at celebration on 7/19/25: Andy Reed would like to set up a 30' x 30' tent behind his business, have a band and pig roast and sell beer and alcohol at 313 S. Bridge. He would set the tent up on his property. He talked to the neighbors, Clover Motors, and they are okay with using their property for the tent as well. Band will be 7p-11p. Access to the tent would be only through the back door of the building. Chief Severson stated that he would have to have licensed servers in the tent, fence in the area with a snow fence and may have to close off the alley way for a section behind Clover Motors and use the alley way between Wolves Den and Take Charge Nutrition for traffic flow. Andy will talk to Take Charge about the alley way and to inform the apartment renter about the event. Andy has people lined up for the security of the event. Moved Brown/Lehrer to recommend allowing Wolves Den to set up a tent behind his property at 313 S. Bridge Street for a band, pig roast and selling of beer and alcohol with a fence around the tent on July 19, 2025.

Moved Brown/Lehrer to adjourn at 4:43 pm. Carried.

Angie Jacobsen, Deputy Clerk
